In addition to the scholarships, we also **plan to provide laptops, mobile phones, assistive devices, hearing aids, NeoMotion wheelchairs, and other technology-based support** to eligible students.

For each student, we need two sets of photocopies of the following documents:

1. Adhar card
2. Class 12th mark sheet/Last year's marksheet
3. UDID card
4. Income certificate / ration card / BPL card for economically challenged students
5. Letter from the college principal giving the details of the course wise fees for each student
6. Bank details of the college account on the college letterhead, cancelled cheque, or first page of the bank passbook

We would prefer to pay the fees directly to the college account and request you to share the names of students on your college letterhead, duly signed by your authority.
