11. Non-availability or failure to provide complete services by the **vendor shall attract a penalty.**
12. Any non-availability or failure to provide complete services by the Vendor, whether due to the absence, malfunction, or fault of any material, device, equipment, or operator, shall attract penalties. Any delay in making the deliverables fully operational beyond the stipulated time shall be treated as a service delay for the purpose of penalty calculation. In the event of a service delay exceeding **five (5) minutes**, a penalty of **five percent (5%) of the rental price of the affected item(s)** shall be levied, and such penalty shall be calculated in **increments of five (5) minutes** with proportionate penalties applied for each additional increment. The total penalty imposed under this clause shall be subject to a maximum of **five percent (5%) of the total Work Order value for Work Orders of ₹2,00,000 (Rupees Two Lakh) and above** and **ten percent (10%) of the total Work Order value for Work Orders below ₹2,00,000 (Rupees Two Lakh).**
13. In case of complete non-availability or failure to provide services by the vendor for a full day, a penalty of **50% of the work order value** shall be levied for **one (1) day** of non-service. If such non-availability continues for **two (2) consecutive days**, a penalty of **100% of the work order value** shall be levied, and COEP Technological University reserves the right to cancel the work order without further notice.
14. Tender must be provided as per the given format without change in quantity or the product.
15. The material received by the college for events will be inspected for quality and corrections. The material not confirming the quality will be rejected. Supplier will have to remove the rejected material at his own cost. No payment will be made for rejected material.
16. The vendor is solely responsible for the safety of the workers and labours and COEP would not be held responsible in any accidents and misfortunes. Vendor must take responsibility of any damage, Life threat due to poor quality of material and Non-standard items such as cable switches controls and safety devices etc.
17. COEP Technological University, Pune will not be responsible for any damage of items caused due to Natural Calamities (Rain, Wind, Sunlight etc).
18. COEP Technological University, Pune may increase or decrease quantity of required items in work order or at the time of installation as per requirement of the site. Bills will be paid only for the actual used quantity of items.
19. The materials should be delivered (on rental basis) at the COEP Technological University campus without any extra charges. If in case any immediate demand is created for any deliverable it would be the sole responsibility of the vendor to provide the same as soon as possible and it is to be delivered at the same cost as mentioned in the tenders and no extra
