(Formerly College Of Engineering Pune)

iii. CATERING - SCOPE OF WORK AND SPECIFIC CONDITIONS:

a. Scope of Work

During the contract period, the contractor shall be responsible for the following:

- i. Food to be provided unlimited (As per the menu attached) on 22nd March 2026.
- ii. Providing dinner to guests of COEP Tech on programmed day as per the menu attached with this document or given to contractor
- iii. For the above purpose the Contractor will be permitted to use and occupy a space, reserved a cooking area adjacent to refreshment arena. This area can also be used as temporary stores
- iv. COEP Tech may decide to have additional items or change in the pre decided menu during the Programme days, the additional charges claimed by the Contractor for such special things will be agreed to by mutual discussions / Agreed rates / quoted rates in the contract

The bidder **should not use disposable plates and bowls**. Table spoons and tea spoons can be disposable. The bidder will be responsible for piling/collecting the disposable material used, waste food etc and dispose of outside the COEP Tech campus at a proper dumping space permitted by local public authority. This material must be disposed of on the same day and the place must be cleaned before leaving the arena.

- v. Service provider should remove his material within three days from the finishing date of the order from the campus.

b. Gas

Kitchen equipment and gas supply should be managed by caterers. The service provider should provide fire safety equipment in Kitchen shed.

c. Deliverable by COEP Tech:

COEP Tech will provide (i) **Single - phase Electric supply** (ii) **Water for washing and cooking.**

d. Furniture and Fixtures

All the furniture, fixtures, equipment and articles as per inventory separately prepared and all other furniture, fixtures, equipment and articles bought or made available by COEP Tech in or to the kitchen and dining arena shall remain to be the exclusive property of Institute and shall on termination/expiry of this contract be handed over by the Contractor to COEP Tech in the same order and condition in which they are at the beginning of the contract, except reasonable wear and tear.

e. Damage to other articles in the premises:

The Contractor shall be responsible for any damage to the canteen block of the building under the Contractor's occupation and to the fittings, fixtures, furniture, equipment entrusted to the contractor when such damage is in the opinion of COEP Tech, caused

COEP TECHNOLOGICAL UNIVERSITY

(Unitary Public University of Government of Maharashtra)
(Wellesley Road, Shivajinagar, Pune – 411005)
(Formerly College Of Engineering Pune)

due to negligence or carelessness or any fault on Contractor's part or that of its Manager or Workmen or Agent and the Contractor shall be liable to pay to COEP Tech such amount in respect of such damage as may be assessed by COEP Tech officials.

f. Crockery, Cutlery and Cooking utensils, etc.

The Contractor should bring and use his utensils/crockery/cutlery/tables/ table linen & frills for cooking and serving the food to guests. The Contractor shall at all times keep and maintain all the articles in a clean, neat, hygienic and tidy order and condition which will be insured by concern committee Authority.

g. Kitchen Equipment

The contractor should bring all kitchen equipment required for cooking/preparation of food.

h. Electricity

The charges for electricity consumed for lights, fans and other electrical appliances in the kitchen shed will be borne by COEP Tech but proper steps shall be taken by Contractor to ensure that electrical appliances are used with due economy and are switched off when not required or are used only to minimum extent necessary so as to avoid wasteful consumption of electricity. COEP Tech reserves the right/option to levy penalty on the contractor in case of wastage of electricity.

i. Water Supply

The water required for cooking/preparation of food, cleaning of utensils shall be supplied by COEP Tech. The Contractor shall ensure utmost economy in the consumption of water and shall ensure that there is no wastage of water in the shed and cleaning area. In case of water shortage/ no supply from the water board, the Contractor shall co-operate with COEP Tech for regulated supply by COEP Tech. The Contractor shall abide by such instructions, as may be by officials of COEP Tech or any other person authorized by COEP Tech in consumption of water. COEP Tech reserves the right/option to levy penalty on the contractor in case of wastage of water.

j. Maintenance of Kitchen and cleaning area

The Contractor shall keep the kitchen shed, cleaning area and the adjoining space around the arena in a clean and tidy condition and use branded detergent to clean the utensils and plates. The dining tables and the service tables have to be maintained in a clean and neat manner. It shall be open to any official of COEP Tech authorized in this behalf to inspect the cooking shed or any portion thereof at any time.

k. Personal Supervision

It will be the Contractor's responsibility to ensure that the obligations under the terms of this agreement are duly performed and observed and a competent and qualified person shall be appointed as Manager whose name should be informed to COEP Tech and who shall remain in person on the campus to manage and supervise the catering services properly. The Manager should be conversant with Marathi, Hindi and English.

COEP TECHNOLOGICAL UNIVERSITY

(Unitary Public University of Government of Maharashtra)
(Wellesley Road, Shivajinagar, Pune – 411005)
(Formerly College Of Engineering Pune)

I. Standard of Catering

- i. The quality of articles of food and provisions should be of good standard as specified. COEP Tech's officials will have authority to inspect such articles of food and provisions and will have full powers to order discontinuance of use of such articles of food and provision, which are found to be of unsatisfactory standard and on grounds of hygiene.

A high standard of catering shall be maintained at all times with due regard to quantity, quality and purity of foodstuffs. High standard of cleanliness in preparation and handling of food items, cooked and cut food servings should be maintained. The workmen handling the cooking and cutting directly should maintain a high level of personal hygiene and cleanliness. Courtesy should be observed while servicing the guests, faculty, guest faculty, students, participants and staff members. Rating of the service should be maintained at very good and above at all times. The Contractor should note that in case 40% of the students/guests have rated as "poor" for the food served, the contractor will be blacklisted.

- ii. In case the food served by the contractor rated as "below average" by 50 % of the students/guests, the contractor will be penalized by COEP Tech at the rate of 10 % of the total food bill claimed by the contractor and shall be final and binding on the contractor.
- iii. The Contractor shall ensure that the food items supplied are as per the standards of fitness prescribed by the Government authorities and if at any time any fine is imposed by the Government authorities (for e.g. by the food inspectors/ food dept.) the same shall be borne by the contractor and COEP Tech will not pay any fine or penalty that may arise/or that may be imposed on account of the fault of the Contractor. The Contractor shall be personally and solely responsible for any consequences due to food poisoning. Besides refusal of the entire payment for the order, during which such food poisoning has occurred, COEP Tech may initiate further stringent action, as he may deem fit in purview of the law.
- iv. The standard of cleanliness of kitchen utensils, crockery, glassware, cutlery; linen etc. shall be of very high order and any laxity in this regard will attract severe penalties of the amount to be determined by COEP Tech. The Contractor shall be bound by the decision of COEP Tech.
- v. Utensils, cups, saucers, flasks, crockery, etc. should be scrubbed and cleaned thoroughly with soap water and hot water.
- vi. The caterer should ensure that the entire catering premises are kept hygienic and clean. A thorough master cleaning ought to take place every day for all equipment, fixtures, utensils by removing the grime, grease, stains, oil etc. wiped well by clean cloth and dried.

COEP TECHNOLOGICAL UNIVERSITY

(Unitary Public University of Government of Maharashtra)
(Wellesley Road, Shivajinagar, Pune – 411005)
(Formerly College Of Engineering Pune)

- vii. Caterer should take away all the left outs and remove all wastage in 1 day immediately after the programme.

m. Provisions, fruits and vegetables etc.

- i. The Contractor shall be solely and wholly responsible for the procurement of all articles of food and provisions at his own cost. The Contractor shall bear complete financial responsibility for all purchases and financial commitments he may enter for fulfilling the contract.
 - ii. It shall be the responsibility of the Contractor to store the materials purchased by him in a neat, tidy and hygienic manner (Quality) in the space provided by COEP Tech. The security of such material shall be the sole responsibility of the Contractor.
 - iii. Raw food stuffs such as vegetable, milk, fruits etc. shall be fresh and of good quality as per COEP Tech's approval and if found not to be fresh, it shall be rejected and the Contractor shall replace the same with fresh products from the approved source.
 - iv. The contractor should not re-use the leftover food of one meal. It or any part of it shall not be served at the next meal.
- v. **Reuse of burnt oil is strictly prohibited.**

n. Suggestions and improvements

The Contractor shall carry out such improvements as may be necessary for ensuring satisfactory service and shall take due notice of Suggestions made by the students, guest, faculty and staff either directly to him or through its Manager.

o. Service Timings

The timings for serving the students / Staff / Guest Faculty / guest shall be:

- **22nd March 2026 (Regatta) : 7.00 pm to 11.30 pm**

The above timings could be generally observed. However, there could be exceptional circumstances warranting catering service before or beyond the above timing to which the Contractor should provide. The Contractor shall supply and serve wholesome and hygienic dinner in accordance with the menu as stated in Annexure-A and at the rates as agreed in the contract. Normally the service is a buffet service, however at times on instructions services as per specifications are to be provided any other form. **The service of all food items (as per the Menu) should be "UNLIMITED" as per the requirement of the participants/guests from the spread available.**

p. Miscellaneous

- i. **Main Coarse Food should be cooked only in the kitchen space provided in the food arena in COEP Tech. Contractor should not bring to serve any pre-cooked food items prepared from outside. No outsider should be permitted inside cooking area. Food should not be served to any outsider, either on payment or free of cost.**
- ii. The Contractor shall not be allowed to carry any material/item out of the campus.
- q. Accommodation shall not be provided by COEP Tech to the staff of the

COEP TECHNOLOGICAL UNIVERSITY

(Unitary Public University of Government of Maharashtra)

(Wellesley Road, Shivajinagar, Pune – 411005)

(Formerly College Of Engineering Pune)

Contractor.

- iv. The Contractor shall co-operate with the other Contractors working in the campus.
- v. The disposal of leftover foods and other garbage will have to be done by dumping the same in a garbage bin of COEP Tech. Disposal/transportation of waste/garbage from garbage bin to dumping area marked by local authority located anywhere outside COEP Tech campus area will be the responsibility of the contractor. Leftover food should not be sold or sent out of the campus.
- vi. **The authorized representatives of COEP Tech shall check the quality and quantity of the items supplied and served.**
- vii. The contractor is not permitted to use institutes' cleaning services.
- viii. **Contractor will be required to make provision for drinking water and hand wash facility with no spill away.** In addition, the Contractor shall keep and make available workmen for providing water to the participants, faculty, guests and office staff at all times if so, required.
- ix. Disposable paper napkins (of approved quality)/Cloth napkins shall be placed along with each plate for dinner for dining purpose as well as small ones while serving soup, chat, etc.
- x. The contractor shall prepare and serve the dinner as per Menu, in a pleasing and presentable manner. White clothes and coloured frill clothes required for covering the serving table and dining tables shall be provided by COEP Tech.
